**A Celebration of Our Church Family!**

Join us for a great time of worship and fellowship as we celebrate the completion of our goal to eliminate our building debt. A powerful time of worship as we share in Holy Communion and remember our baptisms. Lunch will follow, of pulled pork sandwiches, potato salad, slaw and dessert. Donations will be accepted for the meal.

The Care Team will also be launching our Neighborhood Networks. You will be invited to sit with your neighborhood and get to know who lives nearby. These Networks will be an intentional form of care and concern for our congregation, as well as outreach to new visitors and neighbors. Each Network will have leaders and can organize times of fellowship and connection. Greeters will be on hand to help you locate your network.

**Sunday Worship  
at Lake Balboa  
Pavilion  
(No service on  
campus)**
