**“The Process of a Puzzle”**

I can remember as a young boy watching my parents put puzzles together. They would dump out the puzzle on the dining room table and begin the process. They would put the edge together first, then start in one corner and proceed across the empty space. They got so good at some of them, to make it more of a challenge they would leave the pieces upside down and assemble the puzzle in that fashion.

Recently I picked up the hobby of puzzling myself. It can be very satisfying to some while extremely tedious to others, making them definite “Nos” to the hobby. It’s not just the process of construction I enjoy, but the completion of the entire project. By that I mean the fabrication of the frame, the glueing of the puzzle pieces together and then mounting the puzzle to a board, ordering the glass and then finalizing the assembly with the hanging wire. I try to keep this goal in mind while I’m pouring over the mass of one thousand or more pieces to find the one piece that will fit in the spot that is presently challenging me.

The process of puzzling is unique. It does begin at a snail’s pace. I begin with the classic approach of putting together the edge first. Then I work from either the top or the bottom of the puzzle, whichever has the greatest area of like colorations in it. I isolate all the pieces of those like colors and begin the task of filling in the space. As the process moves along, the number of pieces available diminishes and success moves at a faster pace. I almost feel a sense of pride when I put that one-thousandth piece of puzzle in its proper place. I step back, smile, and begin to plan my next challenge.

When we come to Christ, we come to Him like a new puzzle in a box, in pieces without a picture. God has a plan, a picture if you will and imprints that picture on the individual pieces. Then He begins the process. He sets the boundaries, the edges that we must operate within. Those are His expectations for our lives. He then begins to lead us down paths, filling in places within those edges slowly building the picture He first imprinted on us when we first came to Him.

The Apostle Paul along with Timothy wrote to the church in Philippi. In his letter, he thanked God for them and encouraged them to stay strong in the face of adversity, telling them God had a plan to redeem them no matter what may occur. He specifically said in verse 6, “...being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus.”

God did not establish a plan for us only to stop midway. He will see His plan through until one day He places that final piece of the puzzle in place and He says, “Well done, good and faithful servant.” He will smile and the work He began in you, a work He promised to complete.

### HOSPITALITY OPPORTUNITIY

We are looking for people who have a big smile and open arms to join our hospitality teams!

Hospitality teams serve about once every 4-5 weeks.

Duties are fun: hand out bulletins, make and set up coffee, set out snacks, put out attendance books, collect offerings, clean up after Sunday service, etc.

And most important of all, welcome members and new visitors with a Smile!

As Pastor Doug says, "Our greeters make the first impression on our members and guests as they enter

Mountainside to worship and fellowship with us".
